

## FLYP SCREEN

### Concentration, Space & Modesty

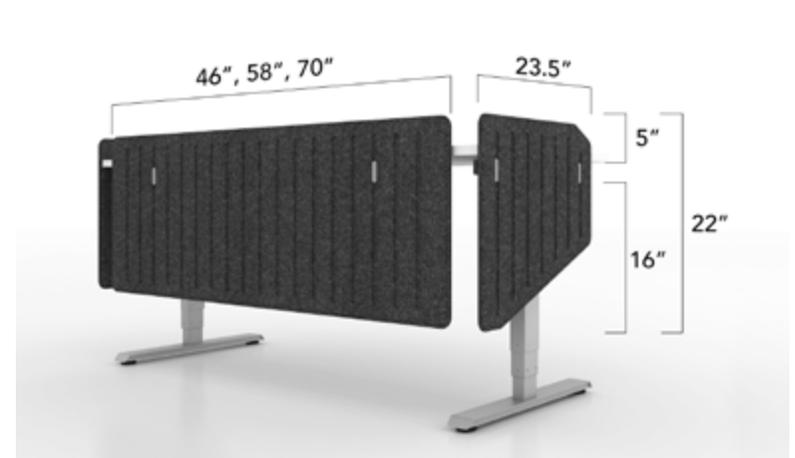

Our Flyp Screens are a modern and easy to install solution to workspace distractions. Define space and create a great way for employees to stay focused with Flyp Screens. Flyp screens are made of a pressure densified eco-felt. This recycled PET material resembles felt to the touch but delivers impressive rigidity making it wear resistant and extremely durable. Whether you're using a height-adjustable desk or a more classic panel system, Flyp Screens are designed to improve every office's efficiency.
