# Pedestal Top Cap Installation Instructions

## TOOLS

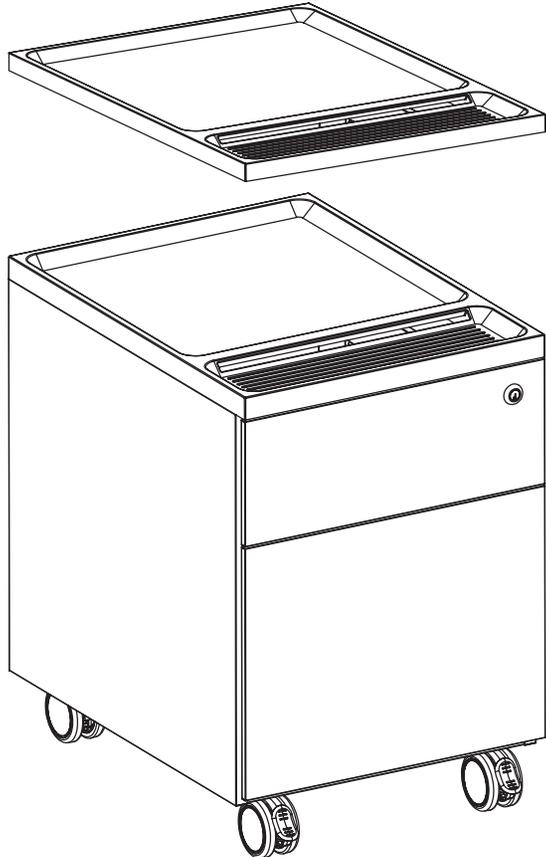

**MY-HITE BOX / FILE  
MOBILE PEDESTAL  
WITH LOCK**

Part Number: FBFPED.MOB

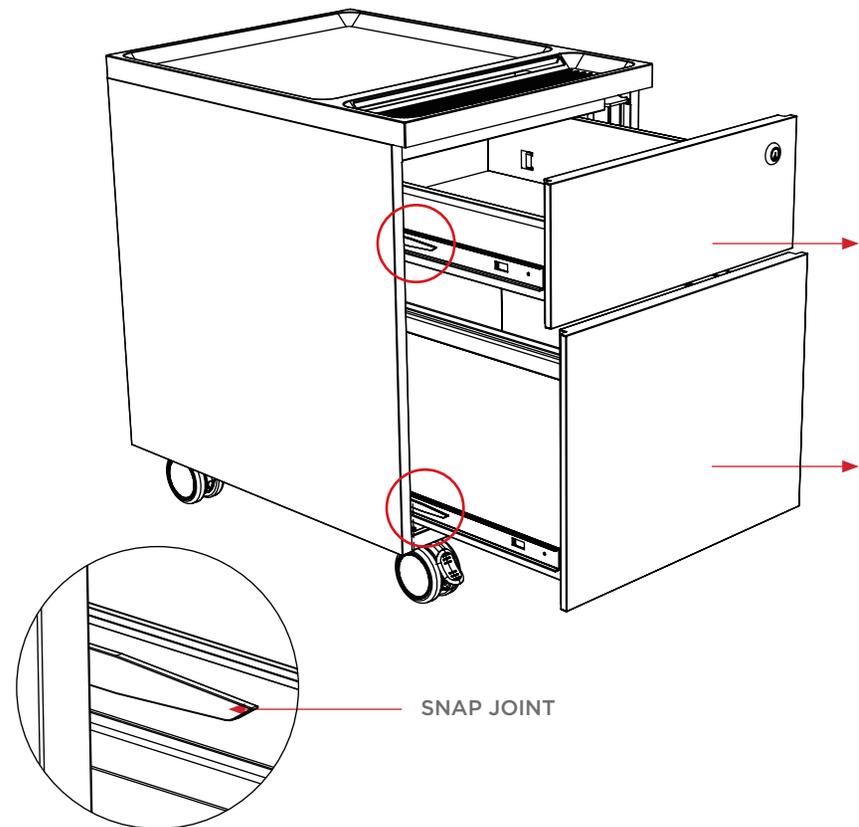

The following steps are instructions on how to remove the Top Cap of a Box/File Mobile Pedestal with lock, and replace it with a new top cap.

## STEP 1. Remove Box and File Drawers

Release the Snap Joints by pulling up on the left and pushing down on the right. Pull box and file drawers out.

## STEP 2. Remove Suspensions on the right side of the Pedestal

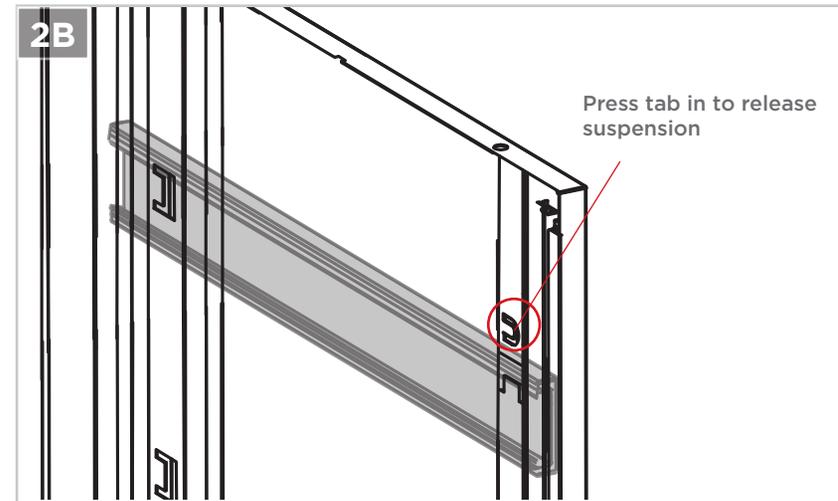

Using pliers, bend in tabs to release suspensions. (You do not need to remove left side suspensions)

- The right side has (1) tab on the top, and (1) tab on the bottom that need to be pressed inward. **IMAGE 2A**
- Using a plier; press tabs inward then, lift the front of the suspensions up, pull forward to release. **IMAGE 2B**

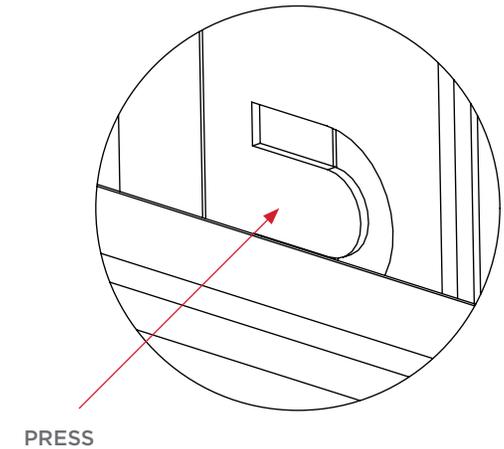

**2A**

**2B**

Press tabs inward to pull suspensions out.
