Terms and Conditions ...

ESSENTIALS PROGRAM

Orders with the Essentials program are limited to under \$10,000 net. Essentials orders must be on separate P.O.s and cannot be combined with standard lead time orders.

PRICES

All Prices are list prices F.O.B. factory (Continental U.S.). We reserve the right to change prices without prior notice.

ORDERING

Purchase Orders should be sent to orders@friant.com or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA or Project Matrix, please send the worksheet (SP4) with your Purchase Order.

MAXIMUM ORDER

All of our Essentials programs will be offered with a maximum order size of \$10,000 net and are based on capacity. We encourage our customers to check stock on orders over \$10,000 as we may be able to accommodate larger opportunities.

TERMS

Net 30 days from date of invoice. Invoices are delinquent if not paid 30 days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney's fee. 50% deposit is required with every order, unless prior arrangements have been made.

ORDERS

Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for accuracy.

LEAD TIME

Lead times are subject to availability.

SHIPPING

Friant generally palletizes, boxes and/or shrink-wraps its products. If buyer requests additional packaging or special shipping, then it is responsible for any extra costs that result. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

CLAIMS

We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. The consignee should file for damage or shortages with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. Buyer must make all claims against Friant for defects, errors or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

RETURNS

No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

PARTIAL SHIPMENTS

We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

ORDER CHANGE/CANCELLATIONS

Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. For the most up to date information, always review the order change/cancellation policy online. Allowable changes within the posted policy must be made in writing.

SHIPMENT AND PREPAID FREIGHT

Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit.

DELIVERY

We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

Terms and Conditions continued...

STORAGE

If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account, and we will deem such transfer as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

CONSTRUCTION — SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

FABRIC APPLICATION

Standard fabric application is non-directional. Friant & Associates is not responsible for charges associated with replacement of products due to incorrect specifications.

CUSTOMER'S OWN MATERIAL

Yardage requirement is based on 66" wide plain covering material, and must be increased if less than 66" wide. Special instructions for handling material (pattern, directional fabric, right side of reversible fabric, etc.) must be submitted in writing before fabric is delivered. In the absence of special instructions, we reserve the right to use our own judgment. We reserve the right to reject any covering, which in our opinion, is unsuitable for our upholstery purposes. However, in no instance shall we be held responsible for unsatisfactory results due to use of covering unsuitable for our upholstery methods.

We will not be responsible for errors caused by buyers not supplying us with sample cuttings attached to their order giving full identification of covering material, (name of supplier, covering name, number and color) for identification purposes and advising us of model number and quantity to which each cover is to be applied.

Customer's own material that is shipped freight collect will be refused. A service charge will be applied for the return of unusable C.O.M. Contact factory.

RIGHTS AND WARRANTIES — LIMITED LIFETIME WARRANTY

Warranty information for all Friant products can be found in the Dealer Resource Center (dealers.friant.com/warranty) or on the Friant website (www.friant.com/warranty)

CALIFORNIA PROP 65 WARNING

Products in this catalog can expose you to chemicals including wood dust, which is known to the State of California to cause cancer or birth defects or other reproductive harm. For more information go to <https://www.p65warnings.ca.gov/products/furniture-products>.

CARB

Friant products are CARB 93120 compliant for formaldehyde (phase 2)

TSCA TITLE VI

Friant products are TSCA Title VI Compliant

MAS

Accredited Compliance Designation - ANSI/BIFMA x7.1 & e3-2014 7.6.1, 7.6.2, 7.6.3

California Dept. Of Public Health Standard Method v1.2

PF101-6	Vintage		

Fabric is scheduled for discontinuation when inventory is exhausted. Please contact Customer Success for current stock levels. After discontinuation fabric will be available with extended lead time, subject to minimum yardage requirements.

NOTES:

- Passage and Terrain are not available on acoustical panels, pedestal cushions, tackboards or fabric screens.
- Please refer to the Fabric Direction Section in the Materials Reference Guide on the Dealer Resource Center for more details.
<http://dealers.friant.com/product-literature/>
- **When ordering panels 67" and below to match an 85"H panel, specify matching direction.**
- Order fabric / finish sample online at www.friant.com
- Colors may vary slightly between dye lots.

Pattern Direction

- Fabric direction is not always determined by the way the pattern is shown on memo sample.
- Certain product construction and sizes require fabric to be applied only Directionally or Non-Directionally.
- Some products have fabric applied either Directionally or Non-Directionally. (Upcharges may apply on some products, see price books for details).
- Please refer to our **Materials Reference Guide** on the Dealer Resource Center for specific pattern application defaults on all of our products: <http://dealers.friant.com/product-literature/>
- Our Customer Success Team is happy to answer any questions regarding fabric direction.

Please Note: Images are printed simulations and are not exact matches of finished product. Please request an actual sample from Friant or your sales consultant before specifying finishes.

Data Port Plate (Front View)

Product Description

PART #:Q1F2DPP

This Data Port Faceplate is field configurable, flush-mounted onto the Panel Base Kickplate, and provides 1 to 4 flush-mount ports for a variety of snap-in connectors and adaptors.

Product Notes

- Installation and changes can be made without removing the Panel Base Kickplate
- Plates can be installed and removed without any tools
- Window ID provided with each Data Port Plate
- Release latch provides easy access to connections without any tools
- Blank inserts included with each Data Port Plate

Dimensions

HEIGHT: 2¹/₈"

WIDTH: 3⁵/₈"

DEPTH: 0.25" (from face of Panel Base Kickplate)

MATERIAL: High impact plastic

Panel Details

System 2 monolithic panels are available powered and non-powered, with painted top caps and trim and leveling glides.

Knockouts

<ul style="list-style-type: none">• Knockout: 3" x 1 7/8"• Accepts receptacles, data port plates or base infeeds• Knockouts are located 10" in from the edge of the panels	
12", 18" wide	no knockouts
24" wide	1 knockout
30"- 60" wide	2 knockouts

Pull Options, Storage

You have multiple pull options. Please specify type when ordering. If you have any questions, please contact Friant Customer Success or your local sales rep.

BAR PULL

Metal finish (Standard Default)

Cloud White/Green,
Cloud White/Grey
(Upcharge applies to metal storage. See page 48)

SLANT PULL

Brushed Aluminum
Black Umber
(Upcharge applies to metal storage. See page 48)

Grommet Locations, My-Hite Tops

1 Select a My-Hite worksurface

My-Hite tops (see page 35) offer optional grommets. Please use the codes shown when specifying location of grommets. An upcharge of \$75 applies per grommet.

Choose	Specify Part #	Specify worksurface and edge
	Q1FSRWS.2358	M16 Tundra E19 Tundra

2a Select a grommet location, Rectangular Tops

Specify location by using the designated codes

CODE	POSITION
GL	4" from left side - 4" from rear
GC	Centered from side to side - 4" from rear
GR	4" from right side - 4" from rear
G1	Pair of grommets, GL and GR
G5	Three grommets, GL-GC-GR

Dimensions are measured from grommet center
For other grommet locations, please call Friant customer success.
Grommets are 3" round with cover standard

2b Select a grommet location, D-Shaped Tops

Specify location by using the designated codes

CODE	POSITION
GC	Centered from side to side - 4" from rear

Dimensions are measured from grommet center
For other grommet locations, please call Friant customer success.
Grommets are 3" round with cover standard

2c Select a grommet location, 90° Equal Corners

Specify location by using the designated codes

CODE	POSITION
GSL	4" from left side - 4" from rear
GCOR	Corner - 4" from rear
GSR	4" from right side - 4" from rear

Dimensions are measured from grommet center
For other grommet locations, please call Friant customer success.
Grommets are 3" round with cover standard

Maximum Panel Run - Recommended Guidelines

Panel runs need wall starts or wing panels for stability. Exceeding the recommended guidelines shown below may result in unstable panel configurations. Panels that are not properly supported will **yield** when pressure is applied.

Freestanding

Freestanding with Components

Wall Start

Wall Start with Components

Festoons

Festoons connect powered panels in a straight line or through connectors. All System 2 powered panels will come with a panel to panel festoon, which extends power in a straight line from panel to panel or at a 90° angle. Because these are included, there is no need to order them separately.

Festoons will only need to be ordered separately when bringing power across a connector when the wing panels are non-powered. Please see below for details and specify festoons on page 29.

Panel to Panel Festoon

- Included with each powered panel
- Extends power in straight line from panel to panel.
- Extends power at a 90 degree angle through a 2-way, 3-way, or 4-way connector.

Pass Through Festoon

- Part number Q1F2CPK.1 on page 29.
- Extends power in straight line through 3-way or 4-way connector
- Extends power through a 135° or 120° 2-way, 3-way connector.

Festoons continued..

All Panels Powered - no additional festoons needed

Spine Power Only

135° and 120°

135°

120°

(1) Q1F2CPK.1

(1) Q1F2CPK.1

(2) Q1F2CPK.1

Transaction Tops - Change of Height

- Transaction supports do not need to be specified separately. Attachment hardware is included
- Rectangular transaction tops come in three types: without cutout, with cutout on one side, and with cutout on two sides
- Use transaction tops **without** cutout for:
 - Tops on the lower panel of a change of height at connector (cut trim above transaction top)
 - Tops on the taller panel of any change of height
- Use transaction tops **with** cutout on one side for:
 - Tops on the lower panel of an in-line change of height, in order to accommodate the panel-to-panel change of height trim
- Use transaction tops **with** cutout on two sides for:
 - Tops on the lower panel between two taller panels, in order to accommodate the panel-to-panel change of height trim on both sides
- Specify transaction tops on page 34

Fabric-Covered Panel Non-Electrical

DESCRIPTION

Structural panel with fabric surfaces, painted top caps and trim, leveling glides, and cable management side covers.

NOTES

- Order connectors and finished ends separately
- Standard fabric application for panels is Non-Directional. Specify Group 5 for Directional application.

SPECIFICATION OPTIONS

Fabric-Covered Panel Electrical

DESCRIPTION

Structural panel with fabric surfaces, painted top caps and trim, leveling glides, 4-circuit power installed and cable management side covers.

NOTES

- 12" and 18" wide panels have no receptacle.
- 24" wide panels have one receptacle per side.
- 30" - 60" wide panels have two receptacle locations per side.
- Order receptacles separately.
- Order connectors and finished ends separately.
- Order pass-through festoon separately.
- Standard fabric application for panels is Non-Directional. Specify Group 5 for Directional application.

Partial-Glazed Panel Non-Electrical

DESCRIPTION

Structural panel with fabric covered lower surfaces and 14" high tempered glass top section, painted top cap and cable management side covers.

NOTES

- Order connectors and finished ends separately.
- Cannot be used as dry erase surface.
- Standard fabric application for panels is Non-Directional. Specify Group 5 for Directional application.

SPECIFICATION OPTIONS

product #: see charts below
trim and top cap finish: LG Light Gray, MT Medium Tone, DT Dark Tone
panel glazing: TR Clear
base finish: MT Medium Tone, DT Dark Tone
fabric (side 1): see page 6
fabric (side 2, if applicable): see page 6

Partial-Glazed Panel Electrical

DESCRIPTION

Structural panel with fabric covered lower surfaces and 14" high-tempered clear glass top section, painted top cap and leveling glides, 4-circuit power installed in cable management raceway covers

NOTES

- 24" wide panels have one receptacle per side.
- 30" - 60" wide panels have two receptacle locations per side.
- Order receptacles separately.
- Order connectors and finished ends separately.
- Order pass-through festoon separately.
- Standard fabric application for panels is Non-Directional. Specify Group 5 for Directional application.

Q1FSECTS.48	1 1/8"	14"	56"	71	\$898

NOTES

- Attaches to the top of two panels sized 24", 30" 36" 42" or 48". Ends are flush with the panel. Panels connected at a 90° angle for corner counter or display area.
- Includes attachment hardware

Rectangular My-Hite

DESCRIPTION

Worksurface top only, for use with height adjustable base within workstation application

NOTES

- Add grommet (add \$75 list each)
Specify GL, GC, GR, G1, G5
- Order base separately from MY-HITE pricebook

Note: Top size reduced 1" in depth and 2" in width to fit within system workstation and prevent pinch points. We do not recommend using full size worktop in paneled workstation applications.

SPECIFICATION OPTIONS

product #: see charts below
worksurface finish: see page 8
edge finish: see page 8

ORDER EXAMPLE

product #: Q1FSRWS.2340
edge finish: DT Dark Tone, E12
worksurface finish: Light Maple, M1
grommet: GC (Rear Center)
